A. Background

BLM Office: Colorado River Valley Field Office Lease/Serial/Case File No:
COC-074456 / 292009

Proposed Action Title/Type: Commercial filming / Land Use Permit

Location of Proposed Action: Various Locations throughout Field Office
Sixth Principal Meridian, Garfield, Pitkin and Eagle Counties, Colorado.

Description of Proposed Action: The applicant, Tyler Stableford Photography has applied for a land use permit to produce various film and still photography outdoor scenes for Cabela's, on public lands.

2010 location shoots:

1. T. 7 S., R. 87 W., Section 20: Summit of Crown Mountain
2. T. 8 S., R. 88 W., Section 21: Light Hill
3. T. 7 S., R. 88 W., Section 21: Top of Red Hill
4. T. 8 S., R. 89 W., Section 36: North Thompson Creek Road

As these are shoots for an outdoor company (Cabela's), the car camping scenes would entail models with vehicles and camping equipment and gear.

Travel management restrictions currently in effect throughout the field office would be the same for this proposal.

Non-commercial no-impact filming, such as videos or photographs taken by hikers, campers, hunters, river runners, etc., does not require a permit since the use meets the definition of casual use under 43 CFR 2920.0-5(k). It is only the commercial nature of this filming that makes a permit necessary under the 2920 regulations.

Land Use Plan Conformance: The Proposed Action is subject to and has been reviewed for and is in conformance with (43 CFR §1610.5 and § 2800, BLM 1617.3) the following plan:

Name of Plan: Record of Decision and Glenwood Springs Resource Management Plan.

Decision Number/Page: Page 5, Administrative Actions

Compliance with NEPA:

The Proposed Action is categorically excluded from further documentation under the national Environmental Policy Act (NEPA) in accordance with 516 DM 11.9, E. Realty Numbers:
