

NOTES

1) The chart shows minimum planning requirements according to law, regulation, or BLM policy. BLM managers can go beyond these requirements as needed or desired.

2) Boxes around steps indicate required documents.

3) Inventory of resource extent and condition should occur as needed, but is most useful prior to the analysis of the management situation.

Abbreviations:

- EIS ~ Environmental Impact Statement
- NOI ~ Notice of Intent
- NOA ~ Notice of Availability
- RMP ~ Resource Management Plan

¹ BLM must publish a notice in the *Federal Register*.

² States can negotiate a shorter review period with the Governor.

³ If changes are significant, issue a notice of significant change and provide a 30-day comment period.
