Dear Reader:

Enclosed are the Proposed Resource Management Plan Amendment (PRMPA) and Final Environmental Impact Statement (FEIS) for the Oil and Gas Development in the White River Field Office (WRFO). The Bureau of Land Management (BLM) prepared the PRMPA/FEIS in consultation with cooperating agencies and the Colorado BLM Northwest Resource Advisory Council, taking into account public comments received during this planning effort. The PRMPA provides a framework for the future management direction of oil and gas development and appropriate use of the lands and resources administered by the WRFO. The document contains land use planning decisions to guide the BLM's management of the WRFO.

This PRMPA and FEIS have been developed in accordance with the National Environmental Policy Act of 1969, as amended, and the Federal Land Policy and Management Act of 1976, as amended. The PRMPA is based on elements of Alternatives A, B, C, and D in the Draft RMPA/Draft EIS (DRMPA/DEIS), that was released in September 2012. The PRMPA/FEIS contains the PRMPA, a summary of changes made between the DRMP/DEIS and PRMPA/FEIS, impacts of the PRMP, a summary of the written and verbal comments received during the public review period for the DRMPA/DEIS, and responses to the comments.

Pursuant to the BLM's planning regulations at 43 CFR 1610.5-2, any person who participated in the planning process for this PRMP and has an interest which is or may be adversely affected by the planning decisions may protest approval of the planning decisions within 30 days from the date the Environmental Protection Agency (EPA) publishes the Notice of Availability in the *Federal Register*. For further information on filing a protest, please see the accompanying protest regulations in the pages that follow (labeled as Enclosure). The regulations specify the required elements of your protest. Take care to document all relevant facts. As much as possible, reference or cite the planning documents or available planning records (e.g., meeting minutes, summaries, or correspondence, etc.).

Emailed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, the BLM will consider the emailed protest as an advance copy and will afford it full consideration. If you wish to provide the BLM with such advance notification, please direct protests to: protest@blm.gov.

All protests must be in writing and mailed to one of the following addresses:

Regular Mail:

Director (210)
Attn: Protest Coordinator
P.O. Box 71383
Washington, D.C. 20024-1383

Overnight Mail:

Director (210)
Attn: Protest Coordinator
20 M Street SE, Room 2134LM
Washington, D.C. 20003

Before including your address, phone number, email address, or other personal identifying information in your protest, be advised that your entire protest – including your personal identifying information – may be made publicly available at any time. While you can ask us in your protest to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

The BLM Director will make every attempt to promptly render a decision on each protest. The decision will be in writing and will be sent to the protesting party by certified mail, return receipt requested. The decision of the BLM Director shall be the final decision of the Department of the Interior on each protest. Responses to protest issues will be compiled and formalized in a Director's Protest Resolution Report made available following issuance of the decisions.

Upon resolution of all land use plan protests, the BLM will issue an Approved RMPA and Record of Decision (ROD). The Approved RMPA and ROD will be made available electronically on the BLM website at <http://www.blm.gov/co/st/en/fo/WRFO.html>.

Unlike land use planning decisions, implementation decisions included in this PRMPA/FEIS are not subject to protest under the BLM planning regulations, but are subject to an administrative review process, through appeals to the Office of Hearings and Appeals (OHA), Interior Board of Land Appeals pursuant to 43 C.F.R., Part 4 Subpart E. Implementation decisions generally constitute the BLM's final approval allowing on-the-ground actions to proceed. Where implementation decisions are made as part of the land use planning process, they are still subject to the appeals process or other administrative review as prescribed by specific resource program regulations once the BLM resolves the protests to land use planning decisions and issues an Approved RMP, and ROD. The Approved RMP, and ROD will, therefore, identify the implementation decisions made in the plan that may be appealed to the Office of Hearing and Appeals.

Sincerely,

Ruth Welch
State Director
