## PUBLIC NOTICE

The Bureau of Land Management recently identified a change in its internal procedures. Due to the short implementation time for compliance with this directive, offering of the lands listed in the Colorado State Office Notice of Competitive Oil and Gas Lease Sale dated June 25, 1999, is postponed. No sale will be held as initially scheduled August 12, 1999.

Lands listed in the aforementioned Notice are now being processed and will be scheduled tentatively for sale November 10, 1999.

We regret any inconvenience as a result of this postponement. Questions may be referred to the Oil and Gas Leasing Team (Bonnie Blair at (303) 239-3764, Jane Romero (303) 239-3765, and Tina Turja (303) 239-3793).
