RE: **Expression of Interest**
Weld County, Colorado

Dear Sir or Madam,

Carrizo (Niobrara), LLC (Carrizo), wishes to nominate the lands listed on the following page for placement in the next possible Oil and Gas Lease sale. Please note that these lands were the subject of Carrizo's presentation at the meeting between Carrizo, Whiting Oil and Gas Inc., United States Forest Service and the Colorado Bureau of Land Management on April 25, 2014, where Carrizo and Whiting requested an emergency and/or expedited sale. To help facilitate any upcoming sale of these lands Carrizo would be willing to accept a Non-Surface Occupancy Stipulation on the attached tracts.

If you have any questions please do not hesitate to contact me at the address and phone below.

Very truly yours,

Craig E. Wiest, CPL
