Re: Expression of Interest (EOI)

DELIVERED BY EMAIL TO BLM_CO_LEASING_INFO@BLM.GOV

I would like to nominate the Federal Lands described as follows for the next Colorado Competitive Oil and Gas Lease Sale:

Township 10 North, Range 59 West, 6th PM
Section 28: W2
Section 33: NW, W2SW, NESW
Weld County, Colorado
600.00 Acres

The surface owner appears to be United States. We presume the BLM Colorado State office represents the US on its behalf.

With Greg Carnes, the undersigned owns COC 71624, T10N-R59W, Section 33: SESW, 40 acres, in Weld County, Colorado.

The undersigned was advised years ago that these lands had already been nominated. Thus, we expected to see the lands listed on the November 12, 2015 Colorado Competitive Lease Sale.

We would appreciate it if the lands could be offered at the next scheduled Competitive Lease Sale in 2016.

Please call me should you have any questions.

Sincerely,

Van K. Bullock
President
