Dear Bureau of Land Management,

Please find our attached Expression of Interest (EOI) for lands and minerals in Baca County, Colorado for the next available lease auction. We believe we have all of the descriptions correct, however if you feel we have missed anything don't hesitate to contact us and we will gladly correct or add to any descriptions. We have conducted a search of your records online and did not find any current oil and gas leases. There are some leases shown on the OG Plat for T34S - R46W and based on their numbers it would seem that they have expired.

Thank you for your help. We look forward to working together.

Sincerely,

Dan Gulley - President
