

**RESOLUTION - FRRAC 01-10**

**Resolution of the BLM - Front Range Resource Advisory Council regarding the 45-day public comment period for the draft Over The River™ Environmental Impact Statement**

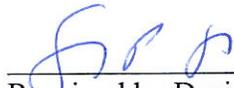

**WHEREAS**, the Over The River (OTR) Draft Environmental Impact Statement (DEIS) is scheduled to have a 45-day public review and comment period;

**WHEREAS**, the issues related to the OTR DEIS rise to a high level of complexity;

**WHEREAS**, the Front Range Resource Advisory Council and public present at this meeting feel a 45-day public review and comment period is an inadequate period of time;

**NOW THEREFORE BE IT RESOLVED** that the Front Range Resource Advisory Council supports a recommendation to extend the OTR DEIS comment period from 45 days to 75 days to provide an adequate amount of time for a comprehensive review and opportunity to comment.
