**COLORADO SOUTHWEST RESOURCE ADVISORY COUNCIL
RESOLUTION 2009-01**

Resolution in Support of the Stabilizing and Protecting the Hanging Flume

WHEREAS: the Southwest Resource Advisory Council recognizes the historic importance of the so-called Hanging Flume and that some degree of preservation is necessary before this resource is lost.

THEREFORE, be it resolved that the Southwest Resource Advisory Council supports efforts to stabilize, protect and demonstrate the construction as approved by the Colorado State Historic Preservation Office and the BLM.

Passed, approved and adopted August 28, 2009.
