To: BLM-Eastern States (BLM-ES) Expanded Leadership Team

From: Deputy State Director, Division of Land Resources

Subject: BLM-ES Lands Identification Project Charter

The purpose of this Information Bulletin is to transmit the BLM-ES Lands Identification Project Charter. The Charter is to define the goals, membership, roles, responsibilities, and operations for the Lands Identification Project.

The Lands Identification Project is directed to complete the identification of the remaining scattered tracts of public domain land under the jurisdiction of BLM-ES by the end of Fiscal Year 2008. This strategic goal is outlined in the BLM-ES Futuring document and is a State Director priority. The Land Tenure Planning Schedule and Land Use Plans will serve as the guiding documents for planning and prioritizing the workload under this strategic goal.

If you have any questions or need clarification, please contact Theresa R. Coleman, Deputy State Director, Division of Land Resources, at 703-440-1678 or Joe Beaudin, Project Coordinator, at 703-440-1675.
