Subject: Subactivity Leader (SALs) List with Program Managers List
Program Area Leaders (PALs) and Managers List DD: 09/07/04

Attached for your review and comment are two lists – one that contains the managers and leaders for each of the 7 major BLM-ES program areas; the other that contains the program managers and subactivity leaders (both statewide and by office) for BLM programs.

Please review, update as needed, and provide any other comments to Myra Musialkiewicz by September 7, 2004, keeping in mind that the purposes are to deal with the confusion about the identity of the program leaders and managers and to provide a quick reference document for your use. The two program area managers are specifically asked to identify back-ups for the program area leaders, as this will assist when the program area leaders are out of the office.

It is our intent to put these lists on the BLM-ES Intranet site on the Budget page and on the S: drive in the Budget folder. Once on the Intranet and S: drive and in order to keep them updated, you are asked to provide changes directly to Myra, even if someone is just Acting.

Your assistance is appreciated.

Ruth Welch
Deputy State Director
