INFORMATION NOTICE

Please note that the following corrections/revisions are being made to the Bureau of Land Management-Eastern States' (BLM-ES) Competitive Oil and Gas Lease Sale Notice dated June 15, 2012. BLM-ES' oral auction will be held on September 13, 2012, at the above address.

The total amount of the first year's advance rental payment for **ES-020-09/12 LAES 057541 ACQ** is incorrect. The correct amount to be remitted is **\$796.50**.

The Surface Management Agency (SMA), USDA Forest Service, has revised its consent to lease the mineral rights in **T1N, R7W, Louisiana Meridian, Vernon Parish, Kisatchie National Forest, Louisiana**. According to the SMA, some of the mineral rights previously consented to under this township/range are not owned by the Federal Government. Parcel numbers forty-five (45) through fifty-four (54) are impacted by the Forest's determination. Therefore, the following parcels have been re-described to exclude the acreage that is not Federally-owned from this lease sale notice. The legal land descriptions and acreage have changed; however, the applicable stipulations originally advertised for this township/range remains unchanged.
