Information Notice

Please note the following addendum to the Bureau of Land Management-Eastern States (BLM-ES) Competitive Oil and Gas Lease Sale Notice dated June 17, 2011. BLM-ES' oral auction will be held on September 15, 2011:

Parcel Number *ES-018-09/11 MSES 057090 ACQ*, the entire N2 of section 37, is currently under lease and unavailable for oral bidding. Accordingly, parcel number eighteen is re-described as follows:

ES-018-09/11 MSES 057090 ACQ
Mississippi, Franklin County, Homochitto National Forest
T6N,R2E, Washington Meridian
Sec. 37, *S2*.
291.32 Acres
\$584.00 Rental
Subject to F.S. Timing Limitation Stipulation No. 1; Lease Notices 3 and 4; Notice to Lessee No. 5; F.S. Standard Stipulation for Lands of the National Forest System in MS
EOI #858

Parcel Number *ES-056-09/11 MSES 05728 ACQ*, the NW of Section 6 is a typographical error. The minerals estate for the NW is not Federally-owned. The surface management agency, USDA Forest Service, has granted consent to lease the NE, E2SE of section six (T6N,R5E, Washington Meridian). Therefore, the legal description for section six is corrected to read: *Section 6, NE, E2SE*. This correction in no other way alters this parcel as originally advertised in BLM-ES' lease sale notice. The acreage, rental and applicable stipulations for this parcel remains unchanged (EOI #977).
