**OTHER TERMS AND CONDITIONS:**

- Livestock crossing will be in accordance with the Notice of Field Manager's Decision dated [redacted]. Crossing will occur along the route outlined in the attached map.
- Include other terms and conditions regarding route, watering, overnighting locations, width of trailing route, etc.

**STANDARD TERMS AND CONDITIONS:**

- Billing notices are issued which specify fees due. Billing notices, when paid, become part of the crossing permit. Fee payments are due on the date specified on the billing notice and MUST be paid in full prior to livestock crossing activities.
- This permit is issued solely for the purpose of moving livestock across public lands for proper and lawful purposes, as needed for the orderly administration of rangelands. This permit confers no priority for renewal, and cannot be transferred or assigned.
- The allotment(s) listed on this crossing permit is subject to requirements 43 CFR 4180 (2005) – Fundamentals of Rangeland Health and Standards and Guidelines for Grazing Administration. This permit shall be modified, if necessary, to meet these requirements upon completion of a Standards and Guidelines Assessment and Determination.

This permit: 1. Conveys no right, title or interest held by the United States in any lands or resources and 2. is subject to (A) modification, suspension or cancellation as provided by land plans and applicable law; (B) review and modification of terms and conditions as appropriate; and (C) the Taylor Grazing Act, as amended, the Federal Land Policy and Management Act, as amended, the Public Rangelands Improvement Act, and the rules and regulations now or hereafter promulgated thereunder by the Secretary of the Interior.

- Consider requiring prior approval of the location of supplements - Supplemental feeding is limited to salt, mineral, and/or protein in block, granular, or liquid form. If used, these supplements must be placed at least one-quarter (1/4) mile away from any riparian area, spring, stream, meadow, aspen stand, playa, special status plant population, or water development.
