

## FIRE RESTRICTION DEFINITIONS

**AGENCY ADMINISTRATOR:** That person vested with the overall responsibility and authority for an agency at an administrative unit. These individuals may include BIA Superintendents, Forest Supervisors, State Lands Area Supervisors, and BLM District Managers. Agency Administrators at the Geographical Area Level would include the Regional Forester, BLM State Director, and the Director of the Idaho Dept. of Lands.

**CAMPFIRE:** A fire, not within any building, mobile home, or living accommodation mounted on a vehicle, which is used for cooking, branding, personal warmth, lighting, ceremonial, or aesthetic purposes. Campfires are open fires, usually built on the ground, from native fuels or charcoal, including charcoal grills.

**CHAINSAW:** A saw powered by an internal combustion engine, with cutting teeth linked in an endless chain.

**CLOSURE:** The closing of an area to entry or use.

**DESIGNATED ROADS AND TRAILS:** Those roads and trails that are identified on maps regularly provided to the public by Land Management agencies.

**DESIGNATED RECREATION SITE:** A recreation area that has been improved and designated by sign as a privately owned commercial campground, tribal, or agency-owned campground, picnic area, or trail head.

**FIRE STRUCTURE:** A metal or concrete improvement specifically designed for the purpose of containing a campfire or cooking fire provided by the agency or campground owner. This does not include a metal fire pan as defined below.

**METAL FIRE PAN:** A metal fire pan with sides at least three inches high with a metal grate on top.

**MOTORIZED EQUIPMENT:** Any equipment or vehicle propelled by an internal combustion engine.

**OWNER PROVIDED STRUCTURE** – A permanent fire ring/structure that is installed and maintained by the agency having administrative control or the individual who has ownership rights of the property.

**PATROL:** One or more people who will travel through a work site checking for and reporting fires discovered adjacent to and within the work site.

**PERMIT:** A written document issued by an authorized agency representative to specifically authorize an otherwise prohibited act.

**RESTRICTION:** A limitation on an activity or use.

**STOVE FIRE:** A fire built inside a fully enclosed metal stove, grill, or sheep herder type stove, outfitted with a chimney of at least five (5) feet in length, employing a spark arrester with a maximum mesh screen opening of ¼ inch (for the purposes of Stage II Restrictions, stoves fires fueled solely by liquid petroleum or LPG fuels are within exemption #2, and do not require a chimney or spark arrester).
