CONTROLLED SURFACE USE STIPULATION

Surface occupancy or use is subject to the following special operating constraints:

Locate activities and facilities away from the water's edge and outside the riparian areas, woody draws, wetlands, and floodplains.

On the lands described below:

For the purpose of:

Protection of riparian habitat.

Any changes to this stipulation will be made in accordance with the land use plan and/or the regulatory provisions for such changes.

Exception, Modification, Waiver: This stipulation may be waived or reduced if circumstances change, or if the Lessee can demonstrate that operations can be conducted without causing unacceptable impacts. Exceptions to this limitation in any particular year may be specifically approved in writing by USACE. In all cases, the stipulation (including any modification) will be designed to present the least restrictive measure for avoiding unacceptable adverse impacts.
