TIMING LIMITATION

No surface use is allowed from March 1 through July 31 within 0.25 miles (line of sight) of swift fox (*Vulpes velox*) dens.

This stipulation does not apply to operating and maintenance of production facilities.

On the lands described below:

For the purpose of:

To preclude surface disturbing activities in swift fox denning areas which could cause increased and undue stress and or displacement of animals during critical time periods.

Any changes to this stipulation will be made in accordance with the land use plan and/or the regulatory provisions for such changes.

Exception, Modification, Waiver: This stipulation may be waived or reduced if circumstances change, or if the Lessee can demonstrate that operations can be conducted without causing unacceptable impacts. Exceptions to this limitation in any particular year may be specifically approved in writing by USACE. In all cases, the stipulation (including any modification) will be designed to present the least restrictive measure for avoiding unacceptable adverse impacts.
