

## **CONTROLLED SURFACE USE STIPULATION**

### **HISTORIC TRAILS**

**Stipulation:** Surface occupancy and use is subject to the following operating constraints:

Oil and Gas leasing, exploration, and development would be allowed within 1/4 mile of the following historic trails Bridger Cut-Off Trail (all three routes) and the Meeteetse Trail with the following stipulation:

Avoid, minimize, or mitigate adverse effects to historic landscapes surrounding these historic trails as a result of BLM land-use authorizations and to have no net decrease in the value of high-potential segments or sites regardless of NRHP eligibility.

On the lands described below:

**Objective:** Preserve and protect historic trails and the natural setting in which they occur.

**Exception:** None

**Modification:** None

**Waiver:** None
