

CONTROLLED SURFACE USE STIPULATION

THREATENED, ENDANGERED OR OTHER SPECIAL STATUS SPECIES

Surface occupancy or use is subject to the following special operating constraints:

The lease area may now or hereafter contain plants, animals, or their habitats determined to be threatened, endangered, or other special status species. The BLM may recommend modifications to exploration and development proposals to further its conservation and management objective to avoid BLM-approved activity that will contribute to a need to list such a species or their habitat. The BLM may require modifications or disapprove proposed activity that is likely to result in jeopardy to the continued existence of a proposed or listed threatened or endangered species, or result in the destruction or adverse modification of a designated or proposed critical habitat. The BLM will not approve any ground-disturbing activity that may affect any such species or requirements of the Endangered Species Act as amended, 16 U.S.C. § et seq., including completion of any required procedure for conference or consultation.

On the lands described below:

For the purpose of:

To meet the requirements of the Endangered Species Act.

Any changes to this stipulation will be made in accordance with the land use plan and/or regulatory provisions for such changes.
