

## **NO SURFACE OCCUPANCY STIPULATION**

### **LANDSLIDES**

No surface occupancy or use is allowed on areas of active mass movement (landslides).

On the lands described below:

For the purpose of:

Prevent potential damage to pipelines, well heads, and other facilities from landslides in areas of active mass movement.

Any changes to this stipulation will be made in accordance with the land use plan and/or the regulatory provisions for such changes.

Exception: An exception may be granted if the operator demonstrates in a plan of operations that adverse effects can be minimized and activities safely conducted.

Modification: The area affected by this stipulation may be modified by the authorized officer if it is determined that portions of the area are not subject to mass movement. This stipulation may be modified by the authorized officer if the lessee provides a detailed engineering design and geologic analysis and a mitigation plan.

Waiver: This stipulation may be waived by the authorized officer if it is determined that none of the leasehold is subject to mass movement.
