

**TIMING LIMITATION STIPULATION**  
**GREATER SAGE-GROUSE WINTER RANGE**

**Stipulation:** Surface occupancy and use is prohibited from December 1 through March 31 in Greater Sage-Grouse winter range.

On the lands described below:

**Objective:** To protect Greater Sage-Grouse winter range from disturbance during the winter season and to facilitate long-term maintenance of wildlife populations.

**Exception:** The AO may grant an exception if the operator submits a plan that demonstrates the impacts from the proposed action are acceptable or can be adequately mitigated.

**Modification:** The boundaries of the stipulated area may be modified if the AO determines that portions of the area no longer contain viable winter range. The dates for the timing restriction may be modified if new wildlife use information indicates that the dates are not valid for the leasehold. The AO may also modify the size and shape of the area based on studies documenting actual habitat suitability and/or local periods of actual use

**Waiver:** This stipulation may be waived if the AO determines that the entire leasehold no longer contains viable winter range.
