Mr. Greg Huncovsky
Fidelity Exploration & Production Company
P.O. Box 1010
Glendive, Montana 59330-1010

Dear Mr. Huncovsky,

Fidelity Exploration and Production Company requested a State Director Review (SDR) of a specific section of the January 22, 2007, written order of the Miles City Field Office (MCFO) Assistant Field Manager. The specific section of the order was in regards to painting production facilities as required by the Conditions of Approval included with the approved Applications for Permit to Drill. The SDR was considered timely filed on February 9, 2007.

On February 15, 2007, we received your request to rescind the SDR. You stated that you have since been in contact with the MCFO and are working on a mutual agreement regarding these issues.

We accept your request to rescind the SDR. No further review will be conducted by this office, and the SDR is considered closed.

Sincerely,

Theresa M. Hanley
Deputy State Director
Division of Resources
