

A reminder to those managers who plan to attend the M-2 Aviation Program Overview for Line Managers scheduled at 0800-1000 hours on April 23. You will need to ensure that you have an Interagency User account before April 23. The website is located at www.iat.gov/. Once you are in the site go up to the top left corner and click on the sign up icon, this will take you to the New User account page shown below. Follow the instructions listed to establish an account. If you have any questions concerning your account status please contact your respective District Unit Aviation Manager or contact Allen Edmonds, State Aviation Manager at 406-896-2912.

new user

NOTE: If you have an existing IAT profile, **DO NOT create a new profile as it may cause you to lose your training records.** Please make changes in your existing profile to keep your records in tact. If you've forgotten your username/password please use the "[Username/Password Reset Request](#)" form and we will email you a password reset link.

Enter your **NEW USER** information in the form below and then click the "**Save**" button.

PASSWORD GUIDELINES

- Passwords **MUST** be at least eight or more characters in length.
- Passwords **MUST** contain a mix of both upper and lower case letters.
- There **MUST** contain at least one numeric character (0,1,2,3...9).
- Passwords **MUST** contain at least one "special characters" such as "#, @, %, &, \$".
- New (changed) passwords must not be revisions of an old password.
- Re-use of the same password with a different prefix or suffix (A, B, C, etc.) is not permitted.
- Dictionary words, derivatives of User IDs, and common character sequences such as "123456" may not be used.
- Personal details such as a spouse's name, license plates, social security numbers, and birthdays should not be used unless accompanied by additional unrelated characters.
- Proper names, geographical locations, common acronyms, and slang should not be used.
