

BUREAU OF LAND MANAGEMENT  
RECREATION PERMIT AND FEE PROGRAM SUMMARY

Congress has given us an opportunity to share our positive experiences and accomplishments. We need to let them know of the great success this program has been to the BLM by sharing with them our best and greatest accomplishments. Each site manager needs to report on one or two of their most successful situations using the fees collected in fiscal years (FY) 2009, 2010, and 2011 respectively. Please emphasize any work you have completed working with youth or other youth partnerships in the program using fee revenues. Be specific! Consider: how, what, when, where, why, who, and answer “what has changed” as a result of the fees being available to you to put back into the site. If you have completed many great projects, let’s share them with Congress. Please provide a short paragraph on the accomplishments that you report (no more than two examples per project). Also include any photos illustrating the accomplishments.
