Information Bulletin No. MT-2013-003

To: All Montana/Dakotas Employees

From: State Director

Subject: Diversity Awareness Month

The month of October 2012 has been designated as BLM Montana/Dakotas Organization “Diversity Awareness Month.” Diversity is defined as “the condition of being different.” Human differences may affect our customer, work and personal relationships. This month, we can recognize all our human differences.

Diversity is much broader than race and gender; it is inclusive and concerns us all. We are all unique and diverse. This month will give us the opportunity to visualize and appreciate how different and similar we all are.

During this month, the State, District and Field Offices’ collateral-duty EEO staff will be organizing events and activities for all employees. If you would like to know more about events and activities in your office or how you can participate or get more involved, please contact your EEO office contact.

If you have any questions concerning this Information Bulletin (IB), please contact Sara Romero-Minkoff, EEO Manager at (406) 896-5180.

Let’s celebrate “**Diversity**” together!
