Route Redundancy Can the commercial, private-property or public uses of this route be adequately met by another route that minimizes impacts to the sensitive resources identified above or that minimizes cumulative effects on various other resources?	No
The route is utilized for the following:	
Commercial / Administrative Uses	Yes
Private Property Access	No
Public Uses	Yes
Other	No

Potential Route Designations This list represents the potential designations that are available for this route utilizing the Route Evaluation Tree.
