### SCOPING NOTICE

#### Green River Energy Resources Geophysical Exploration

Dear Reader:

Green River Energy Resources have filed a Notice of Intent to Conduct Geophysical Exploration Operations with the Bureau of Land Management, Dillon Field Office, the Beaverhead-Deerlodge National Forest and the Montana Department of Natural Resources & Conservation, Beaverhead County, Montana. The proposed project is located in multiple Sections on private, BLM, Forest Service and State lands within Townships 13, 14, and 15 South, Ranges 8, 9, and 10 West. The attached document serves as notice of the beginning of the environmental analysis process to meet the requirements of the National Environmental Policy Act. If you are interested in participating in the process and have concerns, issues or alternatives you would like to see addressed, please respond with your written comments by March 30, 2008.

Send written comments to:

Robert Gunderson  
BLM Dillon Field Office  
1005 Selway Drive  
Dillon, Montana 59725

Email: [MT\\_Dillon\\_FO@blm.gov](mailto:MT_Dillon_FO@blm.gov)

(Please reference the Green River Energy project in the subject field.)

Written comments in response to this notice, including the names and addresses of respondents, will be available for public review at the BLM Dillon Field Office during regular business hours (7:45 a.m. through 4:30 p.m.) Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

If you have any questions regarding this project, please contact Robert Gunderson at (406) 683-8000.

Sincerely,

Tim Bozorth  
Field Manager
