Snowies-Little Belts Grazing Permit Renewal Environmental Assessment No. MT060-08-52

Following are corrections to the Snowies-Little Belts Grazing Permit Renewal, EA No. MT060-08-52:

Page 10: Identification No. 004 – Harlow Ranch Allotment 10038

Under Proposed Action: Change type of use from “active” to “custodial.”

Page 12: Identification No. 007 – Surenough Creek Allotment 12607

Under Proposed Action: Change total preference from “168 AUMs” to “167 AUMs.”

Page 37: Identification No. 054 – N Bar Allotment 02821

Under Proposed Action: Add to other terms and conditions “Free use sheep grazing is not authorized under the grazing permit and must be applied for annually. Proposed sheep use will be included in the terms and conditions of the annual grazing application; authorization will be facilitated through signature and return of the application.”
