Maps show the National Gap Analysis Program Land Cover Data (Version 2) Level 1 use classes. The lower map depicts only those lands administered by the BLM.

Boundaries are not intended to confer authority, responsibility, or jurisdiction over lands and waters that are not administered by the BLM. Boundaries reflect the fact that these lands and waters are essential components of comprehensively managing unplanned fires.

This map is intended for display purposes. No warranty is made by the Bureau of Land Management as to the accuracy, reliability, or completeness of these data for individual or aggregate use with other data, or for purposes not intended by the BLM. This map may not meet National Map Accuracy Standards. This product was developed through digital means and information may be updated without notification.
