1. Category: Livestock Grazing It's stupid to put the a ma
on grazing BLM lands. All ranchers are
good caretakers of the land. Better care
& thoughts by use of good sense not a pencil
pusher who don't know which end of a cow & rope!!
2. Category: Off Highway Vehicles should be monitored better.
Too many careless hunters start fires, tear
up sod & shoot live stock & leave it lay. The
least they could do is show respect to
the owner/user of the lands!
