The Bureau of Land Management (BLM) is dedicated to the successful implementation of the Interagency Fire Program Management (IFPM) Standards and the National Office stands ready to assist you in your efforts to enable employees to meet the IFPM Standards.

Attached is a memorandum from the National Fire and Aviation Executive Board (NFAEB) addressing progress in implementing the IFPM Standards. While acknowledging that the accomplishments to date are significant, there is still much to be done to meet the October 1, 2009 deadline for full implementation.

For further assistance, contact the BLM IFPM Representative, Wini Sorensen, at 208-387-5154.
