

PUBLIC NOTICE

EnLink's Lobo Gathering System Project

February 18, 2016

The BLM Carlsbad Field Office is initializing public scoping for the EnLink North Texas Gathering LP., Lobo Gathering System Project. The applicant is proposing to construct 98 miles of natural gas gathering pipelines and associated above-ground appurtenant facilities in Lea and Eddy Counties, New Mexico and Loving County, Texas. An Environmental Assessment (EA) will be required under the National Environmental Policy Act in order to assess the potential effects of the proposed gathering system, upon environmental resources in the project area. Comments concerning the proposed action, alternatives, and identification of environmental issues are most helpful. BLM is requesting comments be submitted within 30 days from the date of this notice.

Written comments should be addressed to:
