FINDING OF NO SIGNIFICANT IMPACT

Based on my review of the Burlington Resources Oil and Gas Company, San Juan 29-6 Unit # 212S Environmental Assessment within the San Rafael ACEC, I have determined that a complete and comprehensive environmental analysis has been conducted. The impact identification and analysis of the proposed project and/or alternative(s) has been completed and the Proposed Action is in conformance with the approved land use plan and will not have any significant impact on the human, natural, and physical environment.

Completion of the environmental assessment, along with implementation of required stipulations and/or mitigating measures indicates further analysis in an Environmental Impact Statement is not needed.
