The purpose of this email is to provide the attached letters of support for operation of Copper Flat Mine from New Mexico lawmakers from all over the State as part of public comment on the Copper Flat DEIS.

The attached 53 letters include a letter from John Sanchez, the Lt. Governor of New Mexico, 18 State Senators and 34 members of the State House of Representatives. Each of these New Mexico leaders respectfully request that the BLM work through the EIS process efficiently and without delay.

Hard copies of the original letters follow via the post.

Best regards,
