To Whom It May Concern,

Please accept this email as my voice of support for the Copper Flat Mine Project in Sierra County.

Their EIS shows that they are well within the requirements to operate and extract, and, the jobs are a necessary entity in our community.

You would be doing our locale, the state, and our country a huge service by granting final approval for the mine to begin operations.

Should you wish to discuss this further with me, feel free to contact me.

Regards,
