Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, are available for public inspection in their entirety.

DEAR BLM

I would just like to comment that with the employment situation as it is today N. Mexico could use all the jobs we can get.

Also with the question of environmental question I am confident that a situation are regulated. Therefore, I am in support of the mine. Thanks for your attention on this issue.
