### PLEASE READ CAREFULLY

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, are available for public inspection in their entirety.

I think that ~~to~~ our environment needs to be protected, but at the same time we need jobs in Sierra County. I think that ~~the~~ the mine should open, but should be held accountable for anything that should happen. I'm sure the government will be involved. I say, let the jobs begin!!
