

# **FINDING OF NO SIGNIFICANT IMPACT**

## **Environmental Assessment**

***DOI-BLM-NM-L000-2012-0117-EA***

### ***Southern Road Improvements***

On the basis of the information contained in the EA DOI-BLM-NM-L000-2012-0117-EA and all other information available to me, it is my determination that:

- 1) The Proposed Action and alternatives are in conformance with the both the Mimbres Resource Management Plan, and the White Sands Resource Management Plan.
- 2) Proposed Action and alternatives do not constitute a major federal action having a significant effect on the human environment. Therefore, an environmental impact statement is not necessary and will not be prepared.

This finding is based on my consideration of the Council on Environmental Quality's (CEQ) criteria for significance (40 CFR 1508.27), both with regard to the context and to the intensity of the impacts described in the EA.
