

FARMINGTON FIELD OFFICE LEASE STIPULATION SUMMARY

<u>Stipulation</u>	<u>Description/Purpose</u>
NM-11- LN	<p>LEASE NOTICE – CULTURAL RESOURCES All development activities proposed under the authority of this lease are subject to compliance with Section 106 of the National Historic Preservation Act and Executive Order 13007. Compliance could require intensive cultural resource inventories, Native American consultation and mitigation measures to avoid adverse effects</p>
F-41-LN	<p>LEASE NOTICE - BIOLOGICAL SURVEY A biological survey may be required prior to any surface disturbing activity on BLM managed lands. Proposed activities may be subject to seasonal closures within sensitive species habitat. Federal land management agencies are mandated to manage special status species so they should not need to be listed under Endangered Species Act (ESA) in the future.</p>
F-39-NSO	<p>NO SURFACE OCCUPANCY – SPECIAL CULTURAL VALUES AND/OR TRADITIONAL CULTURAL PROPERTIES No surface occupancy or use is allowed on BLM managed lands for the purpose of protection of known cultural resource values and/or traditional cultural properties in areas not already within ACECs. This stipulation may be waived, excepted, or modified by BLM, if such action is consistent with the Resource Management Plan. Any portion of a lease area that contains these special values will require special attention to prevent unacceptable impacts to surface resources.</p>
F-42-NSO	<p>NO SURFACE OCCUPANCY- COMMUNITY & RESIDENCES No surface occupancy or use is allowed within 660 feet of any occupied residences of a community adjacent to lease parcel, to reduce impacts to the community of drilling and production activities. This stipulation may be waived, excepted, or modified by BLM, if such action is consistent with the Resource Management Plan</p>
F-43-NSO	<p>NO SURFACE OCCUPANCY-MOUNTAIN PLOVER No surface occupancy or use is allowed on BLM managed lands for the purpose of protection of mountain plover and its habitat in areas not already within ACECs. This stipulation may be waived, excepted, or modified by BLM, if such action is consistent with the Resource Management Plan. Any portion of a lease area that contains these species and their habitat will require special attention to prevent unacceptable impacts to surface resources.</p>
