To whom it may concern,

I am writing to voice my **opposition** to private individuals or companies leasing Federal oil and gas resources in Denton County Texas, particularly Parcel NM-201604-044 referenced in the Environmental Assessment published by the Bureau of Land Management in October 2015 (DOI-BLM-NM-040-2015-61-EA). I am a resident of Denton County and am extremely concerned about the unforeseen and unintended environmental consequences of such projects.

Regards,
