<p>Placer Claim and Association Placer Claim Location Notice includes processing fee and location fee (per claim).</p> <p>In the Department of the Interior's annual appropriations act for Fiscal Year 2012, Congress changed the way that maintenance fees for placer mining claims are assessed. Instead of charging the maintenance fee on a per-claim basis, Congress stated that the fee (currently \$140) should be assessed on each 20-acre parcel of a placer claim or portion thereof.</p> <p>The regulations were published in the Federal Register on July 27, 2012, 77 FR 44155-44158. The BLM will notify holders of placer mining claims who timely filed their maintenance fees for the 2013 assessment year and give them an opportunity to pay the adjusted fees or relinquish the acreage in excess of 20 acres. Please note that in order to be given the opportunity to cure; you must timely pay the maintenance fees for your placer mining claims for the 2013 assessment year.</p>	<table border="1"> <thead> <tr> <th align="center">PLACER 20-ACRE NOL FEE</th> <th align="center">PLACER ACRES</th> </tr> </thead> <tbody> <tr> <td align="center">\$194</td> <td align="center">UP TO 20</td> </tr> <tr> <td align="center">\$334</td> <td align="center">20.001 TO 40</td> </tr> <tr> <td align="center">\$474</td> <td align="center">40.001 TO 60</td> </tr> <tr> <td align="center">\$614</td> <td align="center">60.001 TO 80</td> </tr> <tr> <td align="center">\$754</td> <td align="center">80.001 TO 100</td> </tr> <tr> <td align="center">\$894</td> <td align="center">100.001 TO 120</td> </tr> <tr> <td align="center">\$1034</td> <td align="center">120.001 TO 140</td> </tr> <tr> <td align="center">\$1174</td> <td align="center">140.001 TO 160</td> </tr> </tbody> </table>	PLACER 20-ACRE NOL FEE	PLACER ACRES	\$194	UP TO 20	\$334	20.001 TO 40	\$474	40.001 TO 60	\$614	60.001 TO 80	\$754	80.001 TO 100	\$894	100.001 TO 120	\$1034	120.001 TO 140	\$1174	140.001 TO 160
