TOPOGRAPHIC MAP SYMBOLS

Table of topographic map symbols including roads, trails, water features, and land boundaries with corresponding line styles and colors.

NOTE TO MAP USERS  
The surface and mineral management status overprints are published as general information and do not constitute a warranty. Some of the information shown on this map may have been shown as patented lands due to the lack of information available in the respective offices of the Bureau of Land Management or other responsible Federal agencies should be checked for up-to-date status on any specific tract of land. Inquiries in the BLM maps should be reported to the respective Bureau of Land Management offices from which the maps were obtained.

PUBLIC ACCESS  
Roads crossing public lands may be traveled by the public unless closed by signs or notices by the land management agency. Public lands entered by private lands may not have public access. Permission is required from the private landowner to cross private land, unless access is provided by a Federal, State, or County road, or a BLM road with legal access.
