NOTE TO MAP USERS

The surface and minerals management status overlays are published as general planning and informational purposes only. They do not constitute a legal determination of land ownership or management rights. The official land records in the Bureau of Land Management or other responsible Federal agencies should be checked for up-to-date status on any specific tract of land. Inadequacies in the BLM maps should be reported to the respective Bureau of Land Management offices from which the maps were obtained.

PUBLIC ACCESS

Roads crossing public lands may be travelled by the public unless closed by signs or notices by the land management agency. Public lands intended by the BLM for use of the map for purposes not intended by BLM. The official land records in the Bureau of Land Management or other responsible Federal agencies should be checked for up-to-date status on any specific tract of land. Inadequacies in the BLM maps should be reported to the respective Bureau of Land Management offices from which the maps were obtained.
