NOTE TO MAP USERS

The surface and subsurface information published on this map is derived from various sources and is not guaranteed by the Bureau of Land Management. The official land records in the respective offices of the Bureau of Land Management or other responsible Federal agencies should be checked for up-to-date status on any specific tract of land. Inaccuracies in the BLM maps should be reported to the respective Bureau of Land Management office from which the map was obtained.

PUBLIC ACCESS

Roads crossing public lands may be traveled by the public unless closed by signage or notice by the land management agency. Public lands reserved by private lands may not have public access. Permission is required from the private landowner to cross private land, unless access is provided by a Federal, State, or County road or a BLM road with legal access.
