NOTE TO MAP USERS
The surface area and mineral management status overlays are published general planning and management tools. Some of the lands, surface and mineral rights, may have been shown as patented lands due to the lack of information available to BLM with respect to the nature of acquisition. No warranty is made by the BLM for use of the map for purposes not intended by BLM. The official land records in the respective offices of the Bureau of Land Management or of responsible Federal agencies should be checked for up-to-date status and specific tract of land. Inadequacies in the BLM maps should be reported to the respective Bureau of Land Management offices from which the maps were obtained.

PUBLIC ACCESS
Roads crossing public lands may be traveled by the public unless closed by sign or notice by the land management agency. Public lands interspersed private lands may not have public access. Permission is required from private landowner to cross private land, unless access is provided by a Federal State or County road, or a BLM road with legal access.
