Re: Enterprise Mid-America Pipeline WEP III Project – Segment 4

Dear Ms. Salas:

This letter is provided as a second amendment to the Plan of Development for the WEP III Project. MAPL has removed Segment 4 from the project as well as an additional 3.6 miles from Segment 6 (see Table 1). Segment 6 will now end at MP 80.6. An adjustment in response to a private landowner along Segment 3 increased the length slightly by approximately one-tenth of a mile.

Table 1
Landownership Crossed by the WEP III Project

Segment	Total Length (miles)	BLM Length (miles)	BIA Length (miles)	Private Length (miles)	State (miles)
Segment 1	45.6	28.8	9.6	6.5	0.7
Segment 2	50.8	27.7	16.4	2.9	3.8
Segment 3	46.8	0.5	0.00	40.6	5.7
Segment 5	30.2	5.2	0.00	17.8	7.2
Segment 6	27.3	4.2	0.00	19.6	3.5
Segment 7	32.8	0.00	0.00	26.7	6.1
Total	233.5	66.4	26	114.1	27

We have attached revised maps. If you have questions, please contact me.

Sincerely,

Mike Todd
Land Manager
Mid-America Pipeline Company, LLC
