

Art Walk

El Malpais

National Conservation Area

Sunday, March 13

Do you have a box in the closet of unused art supplies? Do you often wish you could find more time to paint or draw? Are you interested in art but need inspiration?

Join a BLM Park Ranger for an Art Walk! Meet at the BLM Ranger Station at 9:00 am. Caravan to the Narrows Rim Picnic Area where all artistic minded folks can set up their easels and let nature inspire.

You bring the art supplies: paint, canvas, pencils, or sketch books. The art walk should be finished by noon or 1, but artists are encouraged to linger if they wish.

The BLM Ranger Station is located 9 miles south of I-40/Exit 89. Dress for changing weather, layered clothing, closed toed shoes, hat, sunscreen, water and snacks.
