

# *We'll Pay You!*

# \$5000

## When you adopt an adult horse (4 yrs +)

**Yes!** BLM will pay you \$500 to adopt an adult horse, to help offset your care and feeding costs. This incentive program aims to increase placement of older horses into private ownership, greatly reducing BLM's holding costs, enabling more effective management of horses on the range.

- ★ All standard adoption rules and fees apply;
- ★ Incentive is offered for mature horses only (4 years old +);
- ★ Incentive does not apply to younger horses (under 4 years old), burros, or trained animals;
- ★ \$500 incentive payment is made when you receive title after one year;
- ★ Licensed veterinarian must attest to animals' fitness on title application;
- ★ Incentive is not payable if adopted animals are relinquished (that is, returned to BLM) or die before title is issued.

This adoption incentive is being offered on a trial basis in the BLM-New Mexico region only (which also includes Texas, Oklahoma, and Kansas). If successful, the program may be expanded nationally.
