Information Bulletin No. OC-2012-021

To: All State Directors, Assistant Directors, and Field Officials
Attn: State and Field Office Planners

From: Director, National Operations Center

Subject: Availability of Socioeconomic and Air Resources Support Services

The purpose of this information bulletin is to inform Bureau of Land Management (BLM) state and field offices of the socioeconomic and air resources support services for land use plans, major projects, and other socioeconomic or air analyses available at or through the National Operations Center (NOC).

Air resources (AR) assistance is available through: the NOC Division of Resource Services (DRS) AR staff, including an AR specialist and two air quality modelers; and blanket purchase agreements (BPAs) with six prequalified, highly skilled air resource contractors.

Socioeconomic assistance is available through the NOC DRS economist; intragovernmental orders with the U.S. Forest Service Enterprise Team and the U.S. Geological Survey Policy Analysis and Science Assistance Branch; and BPAs with four prequalified, highly skilled socioeconomic contractors.

For more information on accessing these services, see attachment 1. You can also contact Josh Sidon at 303-236-6343 for information on socioeconomic services or David Maxwell at 303-236-0489 for information on air resources services.
