

# Pine Nut Land Health Project

## Legend

- |                                      |                            |   |
|--------------------------------------|----------------------------|---|
| <b>Land Status</b>                   | <b>Proposed Treatments</b> | Planned units FY16/17                   |
| Bureau of Indian Affairs             | Sage-grouse                | Previously Treated Sage-grouse Units    |
| Bureau of Land Management            | Thin/Sage-grouse           | <b>Completed Treatments</b>             |
| Other                                | Woodland Thin/FHR          | Woodland Health / Fuel Hazard Reduction |
| Forest Service                       | Thin/Fire Salvage          | Riparian                                |
| Private                              | Fire Salvage               | Sage-grouse                             |
| Bi-State Greater Sage Grouse Habitat | Riparian Thin              |   |
| Active Sage-Grouse Lek               |                            |   |
| Sage Grouse Telemetry                |                            |   |

## Project Status

**PNLH Completed Treatments**  
 Sage-grouse - 4726 acres  
 Woodland Health/FHR Thinning - 366 acres

**FY16/17 Planned Acres (approximate)**  
 Sage-grouse - 4250 acres  
 Riparian Thinning - 520 acres  
 Woodland Health/Fuels Thinning - 620 acres

**Previously Treated Sage-grouse Units - 5400**

1 inch = 5,000 feet
